

House rules Sento Medical Physiotherapy en Manual therapy

Dear Sir/Madam,

When you are being treated by Sento Medical, we ask your attention to our following house rules:

- Make sure you are on time, 5 minutes before the appointment.
- You can find the rates and terms of payment in the waiting room and treatment rooms. You can also find them on our website (www.sento.nl).
- Sento Medical can not be held liable for the loss of personal property.
- Sento has an emergency plan in case of fire, threat by third parties or a medical emergency. There is a plan of emergency exit routes available. All employees of Sento are aware of this and know how to act.
- Smoking is not permitted within Sento.
- If you are using the fitness facilities, sports clothing and indoor footwear is required.
- The use of cardio equipment is only permitted under the supervision of a physiotherapist.
